

Casa Rural EL PÓSITO

Datos Generales

description: Casa El Pó3sito stands out among all small houses of the village for its beauty and size. Resembling a "manor" house, it was used to keep the spare corn that was later sorted out when the sortage came. This happened back in the history at least as far as the XVI century. Now, the house has been restored for turistic use without resting its authenticity. It has two stories so that the kitchen-dining room occupies a comon space and keeps a rustic atmosphere with a modern functional sense. The walls has been kept simply whitewashed, so that dark carpentry of windows and big wooden door of entrance, together with floors and ceilings make up a whole strong two-colour contrast.

There is a large confortable, simply and attractive saloon where the old furniture combines with modern functionality. Two large double bedrooms with two spare beds as well occupy the downstairs, both equiped with own bathrooms; both rooms have access to the surrounding ground of the house.

Casa El Pó3sito has a privat swimming pool. The size of the swimming pool is 6mx3m and deep: from 1,20m to 1,60m.

Situation

Scattered. Casa El Pó3sito is situated in Los Callejones, at a short distance from main village "Villa de Mazo". It is half way between the sea and the forested hills.

Surrounded by gardens and orchards, this majestic house of El Pó3sito is only half kilometer from Bodegas El Hoyo where the wines Hoyo de Mazo and Mazegas are elaborated. Excellent views towards the top of the mountains that divide the island and to the immense Atlantic Ocean where you can usually spy El Teide, in Tenerife. The peace of the places invites to walk among gardens and vineyards. The mild atmosphere offers the possibility of sunbathing in the terrace or enjoy open air meals round the barbecue.
